

SICKKIDS CCMH LEARNING INSTITUTE STRATEGIC MAP 2025

CULTIVATE EXCELLENCE IN MENTAL HEALTH SERVICES

- Partner purposefully to expand reach and depth of educational programming
- Adapt programming to evolving clinical demands and community needs
- Enhance educational quality through faculty development and evaluation

FOSTER AN INCLUSIVE LEARNING ECOSYSTEM

- Promote equity, diversity, and inclusion within our learning community
- Embed a health equity lens and address social determinants of health in all programming

ENHANCE LEARNING THROUGH INNOVATION

- Expand virtual offerings and evolve the design of hybrid learning models
- Leverage technology to foster continuous learning and education

STRENGTHEN INSTITUTE BUSINESS OPERATIONS

- Build awareness of the institute's mandate and education programs
- Create a sustainable business model and costing framework
